STEP UP AGAIN FOR KIDS

SATURDAY, JUNE 6

Let us celebrate Enbridge Canoe for Kids together!

Christie Lake Kids has been working hard to stay connected to our families by developing and implementing daily online programming for our kids during these difficult and uncertain times. We need your support now, more than ever, to ensure that we can continue to provide our kids with the important social, physical and character building skills and are able to resume our normal programming as soon as it is safe to do so.

Typically, we would be very busy gearing up for our annual event Enbridge Canoe for Kids. Due to COVID19, our longest and largest annual fundraiser is effectively postponed until September. This event has meant a great deal to our organization, raising crucial funds for our camp programming. It is also celebrating an amazing milestone – 25 years! While we can't celebrate on its historical date, in our usual fashion – we do want to connect with our C4K community! We had such an overwhelming response to our first virtual event – that we wanted to challenge you all again!
